

A modern kitchen with white cabinetry, a wooden island, and decorative wall plates. The kitchen features a white subway tile backsplash, a wooden island with a white countertop, and a white range hood. Three decorative wall plates are mounted on the wall above the island. The text is overlaid on a semi-transparent white background.

Exceptional style starts with excellent choices. Legrand's designer switches and outlets can be paired with a wide array of stunning wall plates, allowing you to select the perfect finishing touch for your unique space.

Here are our picks for complementing today's top hardware trends with coordinated wall plates we think you'll love.

MATTE BLACK

A top trend for 2020 that proves you don't have to be shiny to get attention. Bold, dramatic, but undeniably sophisticated, if you opt for this dark hardware style, we suggest:
